Manufacturer Information

Product information

This insurance product is designed for customers whose income is derived from charging fees for their professional services and who need insurance protection against any financial losses that might arise from them breaching their professional duty.

This policy wording is reviewed at least annually in the first instance by Premco Underwriting and subsequently by the insurance carriers.

Premco Underwriting is considered a joint manufacturer of this insurance policy.

The product covers the professional liability of the insured for errors and omissions.

We recommend risks are submitted by distributors with the information contained in our Premco application form.

Target market

This product is intended for commercial businesses, including micro-enterprises and small businesses.

Types of customer for whom the product would be unsuitable

Any customer type not detailed above.

Any notable exclusions or circumstances where the product will not respond

The product sales literature includes a relevant policy summary highlighting significant exclusions and circumstances under which the policy will not respond.

Policy wordings and policy summaries should be provided with each quotation and are readily available from Premco.

Cover will not be provided if any of the Conditions Precedent included in the insurance contract, subject to the provisions of the Insurance Act, have not been satisfied.

Other information which may be relevant to distributors

Premco provides this product on a non-advised basis.
